Written Character Biography of Roger:

Roger Johnson born in inner city ^{Chicago} was never fully given the love his young self needed. His parents made ends meet barely scraping by. They never had enough to buy him anything so he learned at a young age what he doesn't have he needs. He spends most of his time in the street unable to bear his parents fighting. He's had his eyes on blue suede shoes for years. Knowing he cannot ask his parents Roger goes on a theft quest for \$10 dollars. He needs to steal his way to the shoes. There is only one problem. He still is terrible at stealthy wallets and purses.
